Description:	Introducing the GRLLR Ember Pro Charcoal Black, the epitome of outdoor culinary mastery. With its premium quality and captivating matte design, this Kamado barbecue sets the standard for elevated grilling experiences. Crafted with precision and style, it features a custom GRLLR body and high-grade ceramic construction, accentuated by custom-made glazing for enduring durability. Effortlessly operate the lid-locking system and heavy-duty, easy-lift spring, while the divided firebox ensures precise temperature control for various cooking techniques. Cleanup is simplified with the ash removal system and charcoal basket including a divider, making maintenance a breeze after every cookout. Enjoy versatility and convenience with the stainless steel 304 flexible cooking system and metal powder-coated side shelves. Custom-made air vents and an aluminium top vent guard against rust, ensure lasting performance. Complete with a half-moon deflector and a heavy-duty custom trolley featuring shelves and lockable wheels, the GRLLR Ember Pro offers unmatched grilling experiences. Elevate your outdoor cooking adventures with this sophisticated Kamado BBQ, where innovation, elegance, and superior quality converge.
